Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The trustees continued to provide the funding for a feeding programme for children in the San Remegio Central School and the Don Calixto Yongco Elementary School. The children supported had been identified by a government programme as being under-nourished. Through our funding, we were able to provide a lunch on three school days each week for an average of 200 eligible children.

Since March 2020, however, both schools have been closed due to the coronavirus pandemic and the feeding programme has been suspended. Nevertheless, we were able to provide the funding for, and arrange the distribution of, food essentials to 368 families with children at the Don Calixto Yongco School.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Foundation does not at present have a Reserves Policy. The funding of the feeding programme is not committed to by the trustees unless they are sure that sufficient funds are already held. For that reason, a Reserves Policy is considered to be unnecessary at this time.

Details of any funds materially in deficit

None

During the year, £7,107.50 was spent on the feeding programme and the food essentials. This was £3,400.77 more than in the previous year.

The Foundation's main source of income are the surpluses from organised fundraising events and donations. Though, during the year, a number of the planned fundraising events had to be cancelled because of the coronavirus pandemic, the surpluses achieved on those which did take place was £2,060.70 compared to £1992.08 in the previous year.

Donations received in the year, including Gift Aid, were £2,868.31, up from £858.55 in the previous year.
