

# ANGELS FOR CHILDREN FOUNDATION CHRISTMAS NEWSLETTER 2017

Www.AngelsforChildren.org.uk

Registered Charity No. 1168342

Our last newsletter had mentioned our 'School Feeding Programme Project' . I am delighted

to report that it has been going successfully and well supported. We started the project in February this year with 70 malnourished children, providing them with lunch and snacks while they are attending school. This encouraged the children to come to school as they get fed and for many this might be the only good meal they get in the day. The children are monitored and weighed regularly by school staff. Since June the numbers have gone down to 45 children. We hope that those children who are no longer on the list can carry on to keep their weight healthy. I

am grateful to parents who volunteered to make this project a

#### **Official Ceremony**

Angels For Children Foundation

I am delighted to report that on 19th September, the 3 classrooms that we had been working since early in the year has finally finished and handed over to the school. The Charity had been represented by my brother Glenn & his wife during the official opening ceremony.

# YORKSHIRE 3 PEAKS CHALLENGE

In June we took the courage

of doing another 3 peaks. This time myself & hubby was joined by our son Shaun who took the Challenge so well. As he said climbing the peaks was awesome but another part was tedious being so flat! Shaun, we 're so proud of you! This time we did it in **10 hrs 45 mins**...that's an hour faster than last year!!

We were privileged by the company of The Angels 2 trustees, Vanessa & Sue, they both joined us on the last peak (Ingleborough) together with Ged (Sue's hubby) and Boris (Vanessa's dog). Other friends joined us on the 2nd peak for support & water supply were Siobhan & Belinda. They all kept us going & their company was much appreciated.

THANK YOU FOR THE SPONSORSHIP

#### Women's World Day 2017

As you know, this year it comes from the women of the Philippines. I had the privilege of attending the service at the Methodist church in Burley-in - Wharfedale. I had the opportunity of speaking to the congregation about the charity 's works & answering questions about the Philippines in general...

Women World Day of Prayer coffee morning is held on Saturday 13th January at Burley in Wharfedale Parish Centre, Station Road. Part of the proceeds will go towards The Angels Children Foundation projects.

Please come to have a cake & chat with us...

#### Half- Marathon Challenges!!

First challenge of the year was the Edinburgh Half Marathon (EMF) in May. This was a tough race for me as my daughter (who I stayed in Edinburgh with) had been

very ill the night before & hospitalised on the early morning of the race. She begged me to go ahead, I raced exhausted but never stopped as I wanted it to finish fast so I can get back to the hospital! I ended up staying in Edinburgh for a week where most of the time was spent on the bus travelling to the hospital. The upside of this was to have the opportunity of seeing the lovely city, it was like a tour bus everyday!!

In September, it was the Great North Run (GNR). Training for this has been tough due to my ongoing knee injuries. This was my 3rd year of participating the GNR and it's always been an enjoyable experience despite the exhaustion. With lovely friends Philippa & Vanessa who took me to the starting point, it was Siobhan & Sarah who picked me up at the finishing line. It has been a worthwhile challenge. Of course, your generosity and support to keep me going makes a huge difference.

BBQ, games, & face painting with entertainment from Buttercross Belles Morris Dancers & some guitar players from the school. We had great time and raised £764, both for schools playground and school feeding program in the Philippines.
